Water Cannon has been selling pressure washers, parts, accessories, and equipment for commercial and industrial cleaning applications since 1981. With 12,000+ products ranging from their famous, well-priced Honda powered 3200 PSI pressure washer to hoses, pumps, engines and more, they can meet almost any commercial or industrial pressure washing need. The Original Water Cannon Pressure Washer was introduced in 1981 to the Industrial and Rental Equipment markets and quickly grew into a leading manufacturing brand using high-pressure water as a cleaning tool.
