Coast to Coast Equipment, based in Cleveland, Ohio, offers a wide range of equipment that allows us to have fair and competitive pricing. The company works hard to anticipate your needs by providing expertise in finding the right equipment for the job rather than just filling orders, giving you access to a wide range of equipment and fair and competitive pricing. Coast to Coast buys, sells, and leases all aerial lift equipment from manufacturers like Genie, Skyjack, Snorkel, and JLG. They are focused exclusively on aerial equipment. They have hard-to-find pieces and low-priced, quality used aerial lifts ready for your job site, including used forklifts, used boom lifts, scissor lifts, etc.
