Pool Enclosures, Inc, based in Mills River, North Carolina, offers innovation, experience, and expertise! Whether you want to swim year-round in an enclosed pool or entertain guests in a light-filled sunroom, PEI has the design for you. Pool Enclosures, Inc. designs and builds beautiful, energy-efficient pool enclosures, sunrooms, conservatories, spa enclosures, and greenhouses for residential and commercial use. PEI glass and aluminum solar structures are built with the care and craftsmanship you demand from your investment.
