Archaeon Architects offers residential and commercial architectural design services to a wide area around its base in Cabin John, Maryland. Headquartered in Cabin John, the firm serves the Washington, D.C. area, which includes Bethesda, Chevy Chase, Alexandria, Arlington, Georgetown, Great Falls, McLean, Potomac, and Tysons Corner, offering design and build services. The company was founded in 1986, and has completed projects that have ranged from residential renovations to multi-million dollar commercial buildings. Past projects are highlighted on the firm's web site, along with client testimonials, a gallery of photographs, and a blog.
