McKinnon Associates specializes in landscape architecture and construction in Houston and southwestern Texas. Led by Mark McKinnon, the firm takes on residential, commercial, and civic projects, including site planning, feasibility studies, landscape restoration, and reclamation, offering complete design, construction, installation, and maintenance services for projects of various sizes and scope. The company's staff also have expertise in masonry, stonework, and carpentry, as well as fountain, irrigation, drainage, and lighting design and installation. A portfolio of the firm's work is available on its web site.
