

Kyrie Kelly Design Lab

5704 Elvas Avenue
Sacramento, California 95819
United States

Phone: (916) 706-2089

Kerrie Kelly is a Sacramento-based studio bringing considered design into everyday life. To work with Kerrie Kelly—whether through residential interiors, corporate partnerships, or lifestyle entertainment—is to gain a trusted, industry-savvy partner who bridges the gap between design principles and well-lived life. The company's core services include interior design consultation for residential and commercial spaces, outdoor living design, project management for remodels or new construction, sub-contractor management and selection, color consultation for interiors and exteriors, fixture and finish specification, custom fabrications, product selection, and procurement, as well as others. Kerrie Kelly is a multifaceted design studio bringing thoughtful design into everyday life. To work with Kerrie Kelly—whether through residential interiors, corporate partnerships, or lifestyle entertainment—is to gain a trusted, industry-savvy partner who bridges the gap between design principles and well-lived life. Kyrie Kelly Design Lab will work directly with certified contractors, experienced vendors, and clients from design to project completion.
