USA Demolition specializes in residential and commercial demolition services in the Boston area from its base in Woburn, Massachusetts. The crews of USA Demolition are equipped to handle all types of interior and exterior demolition projects in communities throughout eastern Massachusetts. Its projects have included office buildings, retail locations, warehouses, malls, restaurants, hospitals, schools, and homes, providing interior guts, selective demolition, complete takedowns, cleanups, concrete work, bobcat work, and rigging. All debris is disposed of at D.E.P.-approved facilities. USA Demolition, Inc. is a demolition contractor based in Woburn, Massachusetts. They specialize in residential, commercial, and mechanical demolition projects. They have been the top demolition company for over 35 years. The strong work ethic of our team enables us to exceed expectations much to the satisfaction of general contractors, developers, facility project managers, realtors, and homeowners.
