Troianiello Masonry and Construction Services is a general contracting and masonry company based in Scranton, PA. The company's services include commercial and residential construction projects beyond the Scranton area, including the tri-state region of Pennsylvania, New York, and New Jersey. Other services available from Troianiello Masonry are foundation installation and repair, indoor and outdoor fireplaces, concrete driveways, steps and walkways, flooring, retaining walls, patios, decks, and landscaping services. Request for a quotes page and a gallery of photographs highlighting past projects is available on the company's website.
