Schlaefer Masonry Contractors is a residential and commercial building and construction contractor in Montclair, New Jersey. Locally owned and operated, Schlaefer serves Essex County, specializing in old brick, bluestone, and slate. Other services performed by the company include bluestone and slate repairs, Belgium block work, structural repairs, block foundations, sidewalks, retaining walls, concrete floors, backhoe services, and waterproofing. The company's website features a gallery of photographs representing past projects and information about preferred vendors, and an equipment list.
