Lasting Impressions Landscape Services provides landscaping services in Minnesota and Wisconsin from its base in Hastings, Minnesota. Headquartered in Hastings, the company serves the Minneapolis-St. Paul metropolitan area of Minnesota, as well as the surrounding suburbs and western Wisconsin. This second-generation, family-owned, and operated landscaping company has over fifty years of experience in the landscaping field and is a subsidiary company of Specialized Turf, in business since 1960. Lasting Impressions understands the constantly changing northern climate to the ever-changing forces of mother nature, and it's this knowledge that allows it to install your new landscape properly. Hence, it stands the test of time. From installation methods per engineering specifications to focusing on the details of your project to ensure quality craft, the company offers the knowledge and experience to get the job done right the first time.
