Contractors Electric, LLC is a full-service design/build electrical contractor in Eugene, Oregon, serving all of Lane County. The company's electricians are trained professionals with the knowledge necessary to ensure the utmost safety of your electrical system within your home or business. Contractors Electric's service areas include Eugene, Springfield, Junction City, Cottage Grove, Crewel, Harrisburg, Pleasant Hill, Coburg, Oakridge, Florence, and the surrounding Lane County region. Still, it will travel to other Oregon areas when a client requests. The company offers design/build services, new installations, remodels, and repair services for most electrical systems, including troubleshooting and 24-hour emergency services.
