AAABAR Swimming Pools, Inc. is a full-service swimming pool and spa contractor in Glendale, Arizona. With AAABAR Swimming Pool Builders, everything proceeds smoothly and on time, from excavating to guniting, plumbing, steel, and finished product. Some of the outstanding features that we offer include quartz or pebble with glass pool finishes, natural rock waterfalls, and travertine decking with a 1" bullnose for coping. And these pools are fantastic. It is as if you will build your collection without the hassle of going it alone. The company knows how to build your new pool and spa correctly and safely, and it also understands the importance of providing a quick response. You'll enjoy working with a company that makes excellent customer service a priority. Headquartered in Glendale, the company offers custom pool construction and remodeling services throughout the greater Phoenix region, including Glendale, Carefree, Cave Creek, Peoria, and Scottsdale, Arizona. The company's website features photographs showing past projects, a promotional video, and client testimonials.
