Master Dry is a basement waterproofing, foundation repair contractor based in Knoxville, Tennessee, serving Eastern Tennessee and Southeastern Kentucky. The company specializes in basement waterproofing, crawl space repair, foundation repair, and more. They provide effective solutions for crawl space and capturing any basement dampness to reduce humidity to levels that are not conducive to mold growth. Master Dry uses state-of-the-art basement waterproofing systems and crawl space waterproofing products to keep your basement or crawl space dry. Visit Master Dry online for a free estimate.
