The Empire Style™ is our custom Xactimate estimating format that makes our estimates easy to read and understand. Empire Estimators helps our clients win more approvals and make more money with our estimates. Of course, we'll add all the Xactimate line items to maximize your estimate. If you have specific formatting requests, please let us know. Empire Estimators is a leading professional Xactimate® estimate writing consulting service company headquartered in New York, NY. The company helps restoration contractor owners, project managers, and estimators across the U.S. and Canada achieve quicker turnaround and greater project earnings with their remote Xactimate® estimate writing services. Empire Estimators' team of professionals can write Xactimate® estimates for all types of damage, including water, flood, fire, smoke, and more. Empire offers scalable services, ease of use for clients, and the ability to deliver within the required timeframe. The company's website has scope sheets, which can be submitted, and any supporting documentation through their online order form.
