Roots Landscaping is a family owned and operated landscaping, fencing, and masonry contractor based in Bethel, CT. The company offers complete grounds maintenance plus fence installation, masonry work, and light excavation. Throughout the 17 years of business, Roots Landscaping Professionals have evolved with the industry, staying up to date on the latest landscape designs, products, and processes. Their knowledgeable and dedicated staff want to help you build your dream yard, utilizing the best resources to turn around your landscape around. Roots' service areas include the towns of Bethel, Danbury, Ridgefield, Redding, Brookfield, and Newtown as well as Fairfield County, Connecticut and Westchester County, New York. Care and extra precautions are taken to ensure your landscape is above and beyond.
