Phone: (405) 443-4747

Choice Solutions, LLC is a general contracting company headquartered in Edmond, Oklahoma, established in 2010. The company operates as Choice Solutions Roofing and Exteriors throughout the greater Oklahoma City area. Its core business is residential roofing and storm damage restoration. However, Choice Solutions is fully licensed, insured, and certified to offer general contracting services, which means having the resources available to complete nearly any home improvement project. Its staff has experience in providing Inspections, repairs, maintenance, and installations. Choice Solutions serves Greater Oklahoma City and surrounding areas.
