Cities Handyman is a professional and affordable handyman service provider serving the twin cities community with home maintenance and repairs. Please get in touch with us the next time you need a trusted local handyperson for window replacement, fall clean-up, spring cleaning, Yard cleaning, tree brush pile, floor installation, and small plumbing jobs. Cities Handyman has the tools and knowledge to work on many projects, and they are confident they can help. The company offers basic and more complex handyman services for Minneapolis and surrounding areas. The exterior of your home needs some love? Maybe a good pressure washer would clean it up and lift years of dirt and grime off the surface. Or perhaps you need to have it painted, as our homes age, the paint starts to peel. Cities Handyman was established in Minneapolis, MN, to offer a professional and affordable, comprehensive variety of services to homeowners, property managers, landlords, and real estate professionals. The company has built a network of residential repair and maintenance resources to meet all its needs for the properties it has managed for over ten years.
