Sunset Building and Design is a dual-licensed general contractor registered in Tucson, Arizona. Specializing in commercial remodeling, residential additions, and accessory dwellings. With over 20 years of experience in the commercial interiors construction division, Sunset Building and Design prides itself on the quality of workmanship and professionalism we have delivered to our clients. As the link between architects and owners, it proves its commitment to the industry by hitting schedule and budget targets while maintaining communication. The company recognizes the need for additional housing and now offers residential construction services to homeowners in Southern Arizona. Additions, ground-ups, and accessory dwellings can now be constructed with the craftsmanship and communication that the commercial sector prides itself on. Sunset Building and Design is part of a unique group that has partnered to produce quick and affordable ADUs. The company can rapidly add a rental or mother-in-law suite by: Accessing ADU plansets that Tucson has already pre-approved. Developing site plans after pre-construction consultation. Selecting from precompiled finish packages.
